

I listen and support K-Love on 88.7 and 96.5 FM in my community. It is a positive and uplifting influence on me and my community. I do not want to see it go away and be replaced by a LPFM station that would not support these positive and encouraging aspects as well as the good values that K-Love supports. The last thing we need is more crude and rude programming. K-Love helps bring together people from all over as one. It also gives us information and news from a positive aspect. Please do not force K-Love off of the air. Thanks.
